Word From the President

One of the greatest joys that I have experienced while being associated with Camp Indogan is working with people of faith. The faith I have witnessed has been in God's word, faith that God is our creator, faith in the blessings that come through Jesus Christ, and that God is active and alive in the work at Camp Indogan. The commitment to Jesus Christ is manifested in the upkeep, the cooking, the teaching, the leading, in the cabins, in the singing and in every moment experienced by the many campers we welcome each year. So, I am thankful for those who have given of themselves whether it be in their physical presence or in providing funds. Your faith is seen vividly through the eyes of children needing love, nurturing, and the Word of God.

I am reminded each new year that young eyes are witnessing unfaithfulness on TV, at school, in their neighborhoods, and in so many families in America. Even though unfaithfulness, and the consequences thereof, is seen often, our campers experience faithfulness in the time they spend at Camp Indogan because God is our supreme authority in all we say and do.

As we embark on a new camping season, we will begin without two board members that have continually been faithful to God: Garth Sponseller and Devon Hostetler. Both of these men have proven to be true to their commitment as board members but circumstances prevent them from continuing in this capacity.

Each will be missed, and the Board of Directors wishes to thank them for their time of service.

Kent Hoggatt is be our guest speaker this year. Kent is no stranger to camp as his dad Dean Hoggatt helped to establish the camp in the late 1950’s. Kent grew up each summer at camp as he watched his parents serve the campers at the many sessions they worked at. Kent grew up in LaGrange Indiana and graduated from Lakeland High School. He then attended Michigan Christian college where a He graduated and continued to work and serve in a number of capacities. Kent later left the college to fulfill the role of pulpit minister for the Lapeer Michigan congregation. His wife Debbie and two children Ryan and Jenny all reflect the impact of what camp Indogan can bring to the youth. They continue the heritage of dedication to serve Christ and making Him their Lord and Master. Please help us to welcome Kent as our main speaker for this event.

Success Continues

Third Camp Indogan LOCK-IN

Camp Indogan hosted its third-annual lock-in at the Breeden YMCA in Angola. 69 kids and 13 adults were present, and had the chance to experience numerous activities, devotional time, along with pizza and snacks.

The numbers remained consistent with last year's, and Camp Indogan is grateful for the time and energy spent organizing this activity.

Dilgard Pavilion Improvement Project

Friends of Camp Indogan,

These are good times for Camp Indogan. We are financially set for the winter. There are many things being accomplished at the Camp and we had the privilege of teaching over 350 children the gospel of Jesus Christ this year during the camping season.

At our recent meeting, the Board of Directors identified a special project that we want to accomplish to make the Camp experience even better for Campers and anyone who would want to rent the camp. **We the Board of directors have decided to take on the project of fully enclosing and adding heating/cooling capabilities to the Dilgard Pavilion.** We would then be able to use this area for crafts, canteen, classes, games and many other camp activities as well as having this facility be suitable for use by those who rent the camp.

We have secured the Labor for this project which will be provided by the Sojourners and now we need your help. We estimate that this project will be near \$8,000, and we are looking for donations to make this project come to fruition.

If you are willing to help with this project please send your donation to:

**Camp Indogan, C/O Michael T Stults at
2409 N Colonial Lane,
Muncie, Indiana 47304**

or give your donation to any board member and let them know that it should be directed to the project. Please let us know if the Gift is from you, or a gift in the honor of another because all gifts toward this project will be recognized in some manner in the pavilion. Please help spread the word by forwarding this message to all of the contacts in your directory who would be interested in helping the camp. Thanks for all you do for the camp and for giving us the opportunity to teach the Gospel of Jesus to your children.
